

## Telford Happenings

### **Happy 20th Anniversary to the Telford Market!**

The Telford Night Market will reopen for the 2024 season in May! The TNM is held every Wednesday between May 29th through August 28th for a seasonal family-friendly night market. Every week, enjoy live music, food trucks, kids' activities, special events, brewers, distillers, wineries, and more. The open-air market features local vendors selling curated food, fresh produce, specialty gifts, and art.
