Employment Opportunities

Telford Borough, as with all boroughs in Pennsylvania, require competitive testing for any full-time, patrolman positions in the police department. This process, when the need arises, is managed through the Telford Borough Civil Services Commission. At the present time there is no test date scheduled. However, future test dates will be advertised.

Telford Borough Police Department has employed several part-time police officers in the past. The hiring of part-time police officers does not require competitive testing and interested applicants can submit resumes that are kept on file and reviewed when openings develop.
