

Keep Your Home Warm with LIHEAP

News Release Date

01-16-2024

Pennsylvanians shouldn't have to worry about their heat getting shut off during these cold winter months. [LIHEAP](#) helps low-income households cover heating bills through one-time grants sent directly to their utility company/fuel provider.

Have questions about how to apply or need guidance on the application process? Give Senator Collett's office a call at 215-368-1429.
